

# STRAWFEST 2018

24th-26th August.

Bishop Burton College,  
York Road, Bishop Burton, East Yorkshire, HU17 8QG

## “Focus on Farming”

You are invited to an exciting weekend of straw by The Guild of Straw Craftsmen. You will have plenty of workshops to choose from as well as other activities throughout the weekend. Our theme this time is farming. As always there will be plenty of time to chat and catch up with everyone. You can be assured of a very warm welcome. If you have never been to Strawfest before and would like to find out more about it then contact [strawfest2018@strawcraftsmen.co.uk](mailto:strawfest2018@strawcraftsmen.co.uk) for a chat.

The cost of the weekend will be £200. It's a residential weekend. Accommodation is in single rooms with en-suite facilities, there is parking at the halls of residence and you can drive over from there to the main building.

The earlier date of this year's Strawfest means that we need deposits as soon as possible. By the 30th of June we need to know who is going to be there, so that we are sure that we have reserved enough rooms. The balance, £140, must be paid by August 1st
